

Authorized Distributor of ALUBOND® ACM

ALUBOND ACM COLORS

PROFELEZ is the authorized distributor of ALUBOND® ACM. ALUBOND® is a leading global brand of Metal Composite Material (MCM), certified to CAN/ULC-S134 for use in Canadian construction.

This brochure features the most popular ALUBOND® colors and patterns. Beyond these, over 50 production colors are available, along with custom color matching.

ALUBOND® sheets provide durability and long-term performance, resisting humidity, UV exposure, and temperature swings.

Profelez ensures fast delivery and full color flexibility, so you get the right sheet on time and within budget.
